Release 1

SHB30315 Certificate III in Nail Technology

Modification History

Not applicable.

Qualification Description

This qualification reflects the role of individuals employed as nail technicians to provide manicure and pedicure services, including the application of nail art and acrylic and gel nail enhancements.

These individuals possess a range of well-developed technical and customer service skills where discretion and judgement is required and are responsible for their own outputs. This includes client consultation on nail care products and services. Nail technicians may also be self-employed and responsible for managing their own nail station.

Work is typically conducted in nail and beauty salons.

No occupational licensing, certification or specific legislative requirements apply to this qualification at the time of publication.
