### Application Extension Conditions

If you wish to extend your application, you must notify Skills Certified Australia (SCA) in writing ("Extension Request"). An extension may be issued if SCA receives the Extension Request. This form must be completed in full and submitted to [extensions@skillscertified.com.au](mailto:extensions@skillscertified.com.au).

If approved, the Extension Period is defined as twenty-eight (28) calendar days from the day that your extension is approved. The application conditions have been met when:

- a. You have accepted the terms and conditions of your extension;
- b. Skills Certified Australia has received your extension fee of \$200.

The Extension Period commences from the date that the final of the two conditions set out above have been met.

Skills Certified reserve the right to decline your Extension application and the extension fee is non-refundable.

### Declaration

I have read the conditions and declare that the information I have provided is correct and complete. I understand that any extension must comply with the terms and conditions of the application.
